

# CLIMATE IS CULTURE

## THE CAPE FAREWELL PROJECT

A presentation by Cape Farewell, one of the key Graduate School partners, discussing the Cape Farewell project; Climate is Culture, and its educational agenda within the Graduate School.

David Buckland is an artist, film-maker, writer and curator. He produced the films 'Art from the Arctic' 2006 for the BBC and 'Burning Ice' for Sundance, 2010. Buckland created and now directs the international Cape Farewell project.

Professor Chris Wainwright an artist and curator, he is Pro Vice-Chancellor of Camberwell, Chelsea and Wimbledon Colleges and a Trustee of Cape Farewell.
